Step 2. Click on “Start for free” and register yourselves by entering required details and click on create account

The screenshot shows the SendGrid sign-up page. The header includes the SendGrid logo and navigation links. The main heading is "Let's Get Started" with the subtext "Sign up for free. No credit card required." The form fields include: Email Address (shannugapriyashanu2002@gmail.com), Username (priyashan), and Password (with a strength indicator). There is a checkbox for "Use email address as username" and a "I'm not a robot" CAPTCHA. A "Create Account" button is at the bottom. On the right, a "Try it out!" section lists benefits: Automated drip campaigns, Password resets, Newsletters, Receipts, Delivery notifications and updates, and Promoted emails.

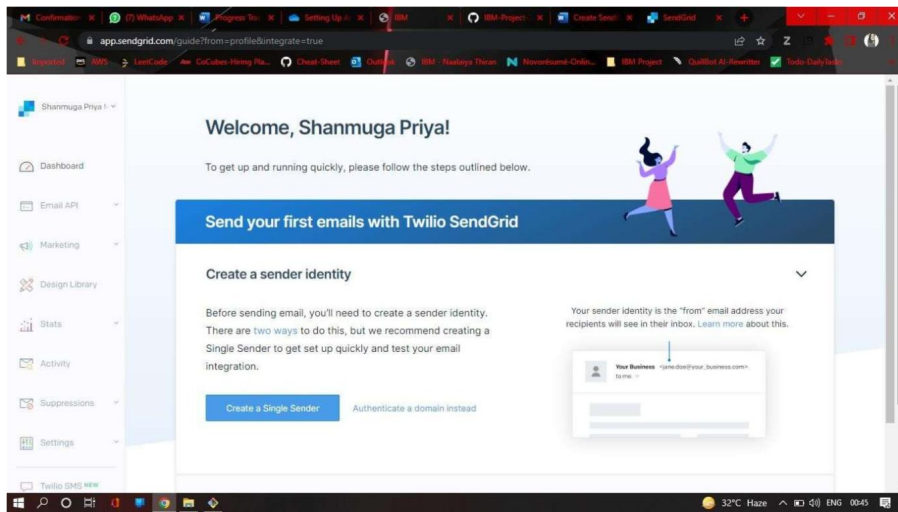

Step 3. Further fill all required details in next page and click on get started as shown below

Step 4. That's it you have created your SendGrid account and got access to dashboard

The screenshot shows the SendGrid account details page. The header includes the SendGrid logo and navigation links. The main heading is "Tell Us About Yourself" with the subtext "This information will help us serve you better." The form fields include: First Name (Shannuga Priya), Last Name (M), Company Name (Velammal college of engineering), Company Website (Velammal college of engineering), Country Code (India (+91)), and Phone Number (9080888421). There is a "What is your role?" dropdown menu with options for Developer and CEO.
